Israel Head Coach, Dvir Goldstein commented:

“After the first game we were a little bit down but we kept preparing for our goal. Players exploded today. Players played very good and I am very happy for them but I know they can do even better”.

Player of the Match Nadav Cohen also said:

“The most important thing for me is that we won the game. We prepared well, we came prepared for Serbia and I feel we are ready to show what we can do and fight in every game”.

Losing came unexpectedly to team Serbia and their Head Coach, Drodje Teodorović:

“Team energy was low and players weren’t able to find the motivation to do better. So far we played well, we agreed yesterday to give our all on the field but my players didn’t have the strength to do so. We need to analyze what happened, I am mainly to blame for this but now we need to see what we can change and how we can win the remaining games”

Nikola Zečević, Player of the Match from team Serbia explained:

“We didn’t open this game as strong as we should have. We didn’t play defense as we should have and they quickly took the lead. We hoped we would come back in the second half but we didn’t have enough focus and motivation to do so. I am not excited about being the Player of the Match in a match which was played so poorly”

Franko Lastro, Austria's player of the match: "I'm very proud of my team, we showed a great team work. I hope we can play equally as good tomorrow against Norway and secure our place in Top 12."

Russia's head coach simply added: "Very, very bad game."

The title for Player of the match for Russia went to Alexander Grebenkin: "We made too many mistakes and that's why we lost this game."

Winning team Head Coach, Krizstian Karpati commented:

“We didn’t play very well and we had a lot of technical mistakes and missed scoring chances. In defense, both goal keepers had really good performance and I think this was the key to winning this game”

Player of the Match for team Hungary, Peter Lukacs added:

“I want to congratulate to Italy, they were a really good team. We prepared well for this match but we didn’t play well, we have to prepare for our remaining games and win every match”

Italian Head Coach, Boris Popović was unhappy with the match:

“It’s not easy to play every day and gave it all every day. Not every match can be played at the 100% strenght. Motivation is still high but it is exhausting to play. We missed few shots which costed us later. We are preparing for our game tomorrow against Israel and we will do everything we can to win”

Giancomo Horvatin, team captain from team Italy talked about the game:

“We were motivated for this match but we had several mistakes at 6 meters. This was a really strong opponent and we made several mistakes which costed us”

The coach of the winning team Pascal Bourgeois: “I feel quite well. It was hard during the preparation and this was the first game we played well throughout the whole match. It’s nice to see fruits of your hard labor.”

The player of the match for France was Hugo Pimenta: “We took a serious approach to this game and it was ended well for us.”

Norway’s head coach Johnny Jensen had this to say: “We lost to a better team. The same as against Germany and Denmark, we lost the game in the first half. We were not ready.”

“It’s an honor to get the award but overall, I’m not happy because we didn’t play well. We lacked power and character. Hopefully we can do better tomorrow.” – Norway’s player of the match Benjamin Berg

Jesper Ostlund, Head Coach of team Sweden was happy with the game but added:

“We know Iceland and Sweden are big rivals, always playing tight games in every level so we expected this again. They isolated Elliot from the beginning and we had problems with the attack. I goal keeper saved a lot of penalties so that’s a big thing for the game as well. Our goal is to go to the finals. If we take one point against Slovenia, we are in the semi-finals, next game is really important to us”

Alexander Linden, Player of the Match from Sweden also said:

“I think we did a great job in the defense. We still have some things to improve in the attack but this award means a lot to me, to be the most valuable player because we won by just two balls and it was an even game until the end. Every game is a tough game but we have to focus on our future games”

Heimir Rikardsson, Head Coach from Iceland was unhappy with the result:

“I am not happy about many of the decisions of the referees but mainly, if we played a better game, we could have won. I know my players are doing their best but were just unlucky today, missed several seven meters shots but they are still giving their best.”

Bitter – sweet title of the Player of the Match for the losing team went to Bragi Astthorsson:

“We could have won this game if we worked on our decision making and increased our shooting percentage. This title has a lot less value when we lose the game. I don’t think we are tired, we had a lot of good chances to score but goal keeper won this game”

Here is what Germany's head coach Martin Heuberger had to say: "It was a very good game from both teams. Portugal is a great team with great offence so we wanted to receive less than 30 goal. We knew they have problems in defense and that was our key to winning the game. It's difficult for us that our player got injured."

"It's amazing to be named Player the match but it's bittersweet because our best play maker is injured and half of this award goes to him. The game was tough but as a team we player really well and we deserved to win." – Germany's best player Nico Schöttle

Portugal's head coach Carlos Martingo said: "I think we saw a fantastic handball being played today. In the crucial attacks we missed two or three times with seven minutes to go and lost. Germany deserved to win because they were in the lead for the whole match but we showed we can play great handball and I'm proud of my player."

Portugal's Player of the match was Andre Sousa: "It was a good game against a great team. We tried our best but failed to win. We will try and do better in the next match and take the highest place possible."

Slovenian Head Coach, Saša Prapotnik commented on this shocking game:

“I wish I could just say I don’t have a comment on this game. I feel like some things were just against us, but we will keep our heads up, we will try to fix this against Sweden and move to the Semi Finals.

Player of the Match, Mitja Janc who won this title for the second time added:

“I feel we were better for the whole game, we scored easily, but in the end, two three dark minutes and this happened. But we know what we are playing for and we will be confident in the next game”

Spanish Head Coach, Javier Fernandez talked about what this game meant to his team:

“This was an amazing match, incredible. I think we have to improve our defense. They scored easily in every attack. But we fought every second and we trusted in ourselves, we had more luck than in the game against Sweden. We have one more chance now. We will analyze this with a cool head and see what we can improve and how we can win, we will give our best as always”

And Player of the Match from Spain, Antonio Martinez concluded:

“This has been an amazing game, in the last few minutes we scored five goals and it was an amazing come back. I don’t care so much to be the player of the match, I just want for my team to win and continue strong in this tournament”

Remarks

Krešo Ivanković, head coach of the winning team had this to say: “I would like to congratulate my players on this fantastic game. In the first half, we were having a hard time finding our rhythm, we had problems in the defense and 2 minutes suspensions. In the second half our goalkeeper made several key saves which gave courage to our attack. We found our rhythm and it was just a matter of time when we’re going to take the lead. We managed to do that few minutes before the end and successfully brought the game to an end.”

Player of the match award for Croatia was awarded to Marin Lisac who scored 9 goals: “We were losing for the majority of the game but we are a great team and we knew the game wasn’t over. At the end we picked up the pace, our goalkeeper made key saves that gave us the opportunity to take the lead. Once we had that advantage, we didn’t let go of it.”

Denmark’s head coach Arnor Atlason: “We played a good game most of the time and had all the chances in the world to win but at the end made too many easy mistakes and that’s why Croatia won. We’re disappointed because we couldn’t finish the game when we needed to after having so many chances.”

” We were a better team for most of the match but in the last minutes we couldn’t stop them anymore and they won. We played really well today but it was not enough.” – Thomas Sommer Arnoldsen, Denmark’s Player of the match
