

Vienna, 27 March 2024

Dear Handball friends,

Following the EHF communication at the Secretaries General Conference in Copenhagen we are coming back with the workshop invitation to “RESPECT YOUR TALENT (RYT)” for the Federations’ staff and trainers working with the YAC national teams (15-20y), handball academies, talent camps. In addition, you can share the invitation with the ambitious club representatives, who are preparing the young players for their handball career.

At the workshop we would like to provide you with an overview of the RESPECT YOUR TALENT programme, present the RYT live events and digital tools (i.e.: RYT App), which can now be used by the Federations, Clubs and Players.

FYI: the registration for the RYT App is available for everyone (see the QR code attached)

As pre-announced, the EHF supports the Federations in delivering their own RYT events and inspiring the players for handball, therefore various presentations, graphics and workshops are available. We believe that jointly we can achieve greater success in reaching and providing the young players with a safe and holistic environment/experience, which can keep them in handball.

We are looking for the multiplication of the RYT users, therefore the workshops are open to all interested individual/groups in your Federation.
